A man in a grey short-sleeved button-down shirt and dark pants stands on a stage, gesturing with his hands as if speaking. Behind him is a Pearl drum set and a large screen. The scene is dimly lit, with stage lights illuminating the speaker and the drum set. The background is dark, and the overall atmosphere is that of a church service or a formal presentation.

The background of the slide features a collage of various church-related photographs. These include people in a church setting, a person at a podium, a group of people standing together, and a church building. The photos are in grayscale and are arranged in a layered, overlapping fashion.

# 2020 DEBT REDUCTION

Throughout each year, Bethel leadership works diligently to reduce church debt. Additionally, through “Kingdom Builders”, we will lower our debt to enable future ministry expansion.

A red line graph is positioned on the left side of the slide, extending from the top left towards the bottom right. The line starts at a high point, dips slightly, rises a bit, and then trends downwards, ending at its lowest point near the bottom right corner. It passes behind the large debt figure.
